A HISTORY OF GREAT TASTE

Since 1983, our family-owned and operated business has been committed to providing the highest-quality ice cream cones and toppings to our customers. In fact, we're so confident in the quality of our products, if you're not satisfied, you'll get your money back.

Rich in tradition and taste—from sweet and savory, to crunchy or chewy—PDI Cone-Dutch Treat satisfies every sweet tooth. We offer a large variety of American made, whole, chopped, and mixed candies from our friends at some of the most recognizable brands in the industry like Hershey, Nerds, and Mars.

Our delicious sugar cone recipe dates back over 90 years. In that time, the only changes that have been made were to comply with FDA regulations. However, those changes have never compromised the irresistible, great taste!

-
- We offer a CC8 grind for many of our toppings that are compatible with FlavorBurst® Crunchi Creme machines. Call or email for info and pricing.
 - We're the most distributor and user-friendly program in the industry. All products may be privately labeled and can be combined for prepaid shipping weight. Contact us to find out more.
